

## **Rights of Way Managers Group meeting, 9 May 2019**

The National ROWMG working group met in London at the GeoPlace conference on 9<sup>th</sup> May 2019.

The Working Group received a presentation from the Ramblers and British Horse Society on their plans for researching and then submitting applications to highway authorities for recording historical unrecorded public rights of way on the Definitive Map and Statement.

The Working Group discussed the implications of the DfT's Future of Mobility: Urban Strategy and discussed the importance of the urban public rights of way network within its context.

Following a discussion, the Working Group agreed the benefits of increasing the activity of its members outside of meetings with other organisations.
